Dear Steve,

Cygnet Hospital Derby

I write following practical completion for our new hospital at Derby and to inform you that we have been successful in achieving our registration.

I would like to take this opportunity to congratulate your team on an absolutely sterling effort. The building looks fantastic and I am delighted with the quality and attention to detail. Everyone of import who has visited the premises has nothing but praise and I have no doubt that the environment will be appreciated by our staff and patients alike.

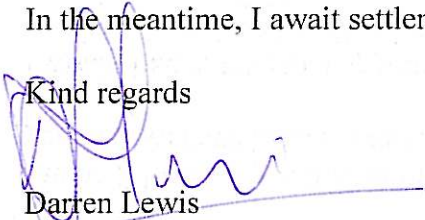

I must say that Dave Evens is an absolute credit to your company. I have had the pleasure of working with Dave on a number of occasions now and as you will be aware his employ was a condition of acceptance of the tender. Dave's efforts as ever extend way beyond the call of duty and I have nothing but praise for him.

Also worth a mention are the efforts of Nigel and Dan who endured me throughout the contract with willing and gusto.

If you would be so kind as to pass on my gratitude I would be much obliged.

In the meantime, I await settlement of the final account which I wish to close ASAP

Kind regards

Darren Lewis
Director of Development
Cc: Ken Wilson - CEO
